Section 2. COVID-19 Public Meeting Prevention and Mitigation.

COVID-19 Public Meeting Prevention and Mitigation.

A. **Public seating area.** Overflow rooms should be made available with live audio or video of the meeting. To the extent reasonable, overflow seats for members of the public should be three to six feet apart in the regular meeting area and in any overflow rooms.

B. **Member seating area.** If multiple members attend telephonically, members are free to sit in a vacant seat to provide the maximum spacing between members.

C. **Alternative public broadcasting.** This provision only applies to public meetings of the City of Hoonah and its committees, boards, and commissions. In addition to regular Council meetings broadcast, meetings with substantial public interest should be live broadcast in a manner that is reasonably calculated to provide meaningful public observance of the public meeting. The chair of a committee, board, or commission has discretion, unless overruled by majority vote, if and how a meeting should be broadcast.

D. **Essential agenda items only.** The committees, boards, and commissions of the City of Hoonah shall only hold meetings for essential agenda items. Nonessential agenda items must be delayed. Essential items can include time sensitive permit decisions, legislation, appropriation matters, continuity of operation matters, and public health matters. The chair of a committee, board, or commission has discretion to determine if a potential agenda item is essential or nonessential. An agenda with an item the chair proposes to be non-essential shall be publicly posted a reasonable time prior to the meeting. A majority of the members of the body may call the proposed non-essential item for consideration at the meeting within 24 hours of agenda posting. Non-essential public meetings must be canceled. Public meetings with essential items in which public comment is required should allow for public comment by telephone. Meeting agendas should be evaluated one month at a time.

Section 3. Sunset Provision. This resolution shall automatically expire and no longer have effect after November 24, 2020.
